# ROSE PLANTS

ALL PROPAGATED FROM WOOD TAKEN  
FROM BLOOMING PLANTS IN FIELD. ALL  
GROWN COOL; ABSOLUTELY NO FORCING  
AT ANY STAGE

Please note that we price plants both from 2¼ inch pots and from BEDS—plants which have not as yet been potted. The plants in beds are good stuff, handsomely rooted, well matured so as to safely ship and no loss should result in handling and shipping. We do not figure that there is a greater difference in value between the potted plants than as shown by our prices.

**Packing and Shipping**—Unless otherwise instructed, we remove all soil from roots before packing, immersing the roots in a solution of muddy water, bunch and wrap in moss and oiled paper. If you wish plants from pots shipped with soil on, in most cases we will be obliged to leave practically all the soil, as to remove much of any of it will mean also removing a considerable quantity of root system. We do not recommend shipping with soil on unless for very short hauls, as it costs MONEY to ship soil by express. We ship by express only—never by freight.

Practically all varieties from beds are ready now; also a very good list in pots are ready; thus we should be glad of your order without delay stating about what date you would like shipment.

As fast as we have room we are still potting off so that as the weeks go by there will doubtless be varieties now offered from beds which we will later have potted up and not be able to supply at the lower price from the beds.

IF YOU HAVE NOT RECEIVED A COPY OF OUR LIST OF FIELD GROWN STOCK we would be glad to send you one; prices as low as \$3.50 per 100 for third grade.

Yours truly,

CALIFORNIA ROSE COMPANY,  
December 1, 1908. POMONA, CAL.

**Guarantee of Genuineness**—While we exercise every possible care and diligence to have our plants true to label, and hold ourselves in readiness, on proper proof, to replace any that may prove untrue to label, without charge, or refund the amount paid for the same, it is mutually understood and agreed between the purchaser and ourselves that this covers the full extent of our guarantee or responsibility in the premises.

**Complaints**—If there are any just complaints to be made, of any nature whatever, the same must be forwarded to us immediately upon receipt of the plants.

**All Shipments Made By Express**—We guarantee express charges and the rate is thus precisely the same as if charges were prepaid. All shipments travel at the risk and expense of buyer.

**Note**—The 100 rate does not apply unless 100 of a variety ordered.
